SUMMARY

Synopsis of Bill

Senate Bill 575 appropriates \$1,260.0 from the general fund to Department of Military Affairs for the purpose of providing supplemental and hardship pay for National Guard personnel deployed for national defense.

This bill contains an emergency clause.

PERFORMANCE IMPLICATIONS

DMA states it would have to establish a separate procedure and process to address “supplemental pay” standards and other eligibility criteria for New Mexico National Guard personnel.

FISCAL IMPLICATIONS

The appropriation of \$1,260.0 contained in this bill is a recurring expense to the general fund. Any unexpended or unencumbered balance remaining at the end of fiscal year 2006 shall revert to the general fund.

ADMINISTRATIVE IMPLICATIONS

DMA states it would have to establish a separate procedure and process to address “supplemental pay” standards and other eligibility criteria for New Mexico National Guard personnel.

CONFLICT, DUPLICATION, COMPANIONSHIP, RELATIONSHIP

DMA reports Operations Homefront, paid for through private instate resources, already addresses service-members financial hardships and is broader than just for New Mexico National Guard personnel.
